Appendix

ACIA Constitution (Definitions)

To represent and advance the knowledge and practice of attendant care in Australia by:

- (a) advocating for and promoting the delivery of quality attendant care for the public benefit;
- (b) raising awareness and profile of attendant care;
- (c) enhancing the professionalism of attendant care by identifying, supporting, promoting and advising on best practice in attendant care through policy development, education and quality certification;
- (d) advancing the education, skills and competencies of attendant care service providers through the facilitation of opportunities for education and training;
- (e) the provision of opportunities for information exchange and networking;
- (f) advocating for the development and implementation of appropriate legislation, policies, practices and programs relevant to attendant care at national, state and local levels;
- (g) encouraging intersectoral and interdisciplinary collaboration between attendant care service providers, policymakers and researchers;
- (h) representing attendant care service providers;
- (i) acting as an apolitical organisation.

## 12. ONGOING INVESTIGATIONS OR COURT PROCEEDINGS

Is the organisation aware of any ongoing investigations or court proceedings relating to the organisation's delivery of community support services or their ability to provide service?

If yes, please describe. If no, please state 'None'.
